

# **MADE LONDON at St Mary's Bryanston Square.**

**30<sup>th</sup> November – 1<sup>st</sup> December 2018.**

**MADE LONDON** at St Mary's is an exciting new project, which will take place at the end of November and start of December this year.

This show is a table-top, Christmas selling show reminiscent of village hall marketplaces and friendly table top sales, but in a stunning Georgian Church, and with some of the best makers in the country exhibiting - a truly unique experience for both makers and shoppers alike an enjoyable xmas shopping event.

There will be a cafe on the dais serving coffee and light refreshments.

## **VENUE**

St Mary's Bryanston Square is a spectacular, listed grade I listed Georgian Church with a stone portico and tower, designed by Robert Smirke in the 1820's. Located in Marylebone, located just 5 minutes' walk away from Edgware Road and Marylebone station. Marylebone itself takes its name from the St Mary's Church.

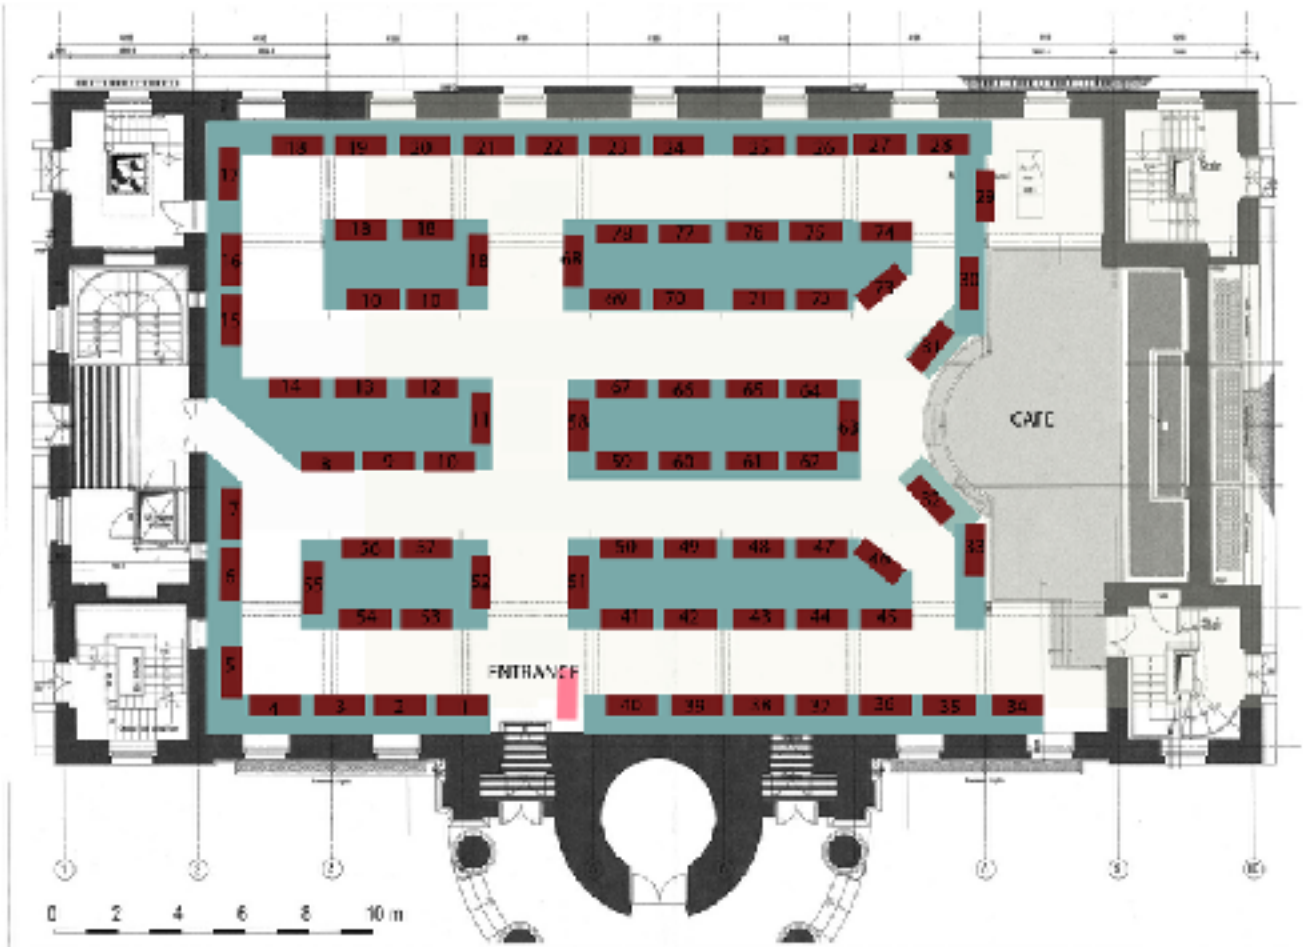

## **SPACE**

The show is a tabletop event - so may not be suitable for those needing walls to display their work. We will provide a 6ft trestle table, a black stretchy cover (or a 2m empty space if

you would like to bring your own display) and a plug socket. (We ask that you please use LED lights, to keep electric usage to a minimum). If you would like, we can also order you one or two IKEA standard lamps @ £25, which come fitted with a very bright LED bulb (for you to keep).

Although we will not have a shell scheme we want the show to look stylish so please keep display simple - keeping the focus on the work and be aware of how your display will look from the rear and side (and how it might affect your neighbours).

If you have your own display cabinet, then you are welcome to use that instead of the table. (max width 2m)
